### President's Office

I would like to salute the cast, crew, and staff who worked tirelessly to present six magnificent performances of *Grease*. The talent we have in the performing arts is truly amazing. Thank you all for sharing your gifts with us. I also encourage students who have never considered the performing arts to explore them for future shows—you never know where it might lead.

### Student Affairs

### SENIORS - College Acceptance and Scholarship & Grant Awards Please Submit to the Guidance Office

As the first semester comes to a close, some colleges may request your midyear grades. Most colleges do not require midyear grades, so they are only sent if requested. If requested, an updated academic report, which will include your first and second marking period grades, as well as first semester grades, will be sent to the colleges you indicate. Please complete the Midyear Grade Request Form (below) if your college(s) are requiring midyear grades.

If your college does not request your midyear grades but you would like to submit them, then please check your portal first to see if grades can be uploaded (this is the quickest, most efficient way). If you cannot upload senior grades to your portal, then please complete the Midyear Grade Request Form (below). If you self-reported your initial transcript (ex. SRAR), then you need to self-report your midyear grades, as well. Please let Mrs. Bell know if you need an updated copy of your transcript for reference.

Midyear transcript requests will be processed beginning the week of February 3rd, which is when the second quarter grades, first semester grades, GPA and rank will be finalized and validated. If you have any questions, do not hesitate to reach out to Mrs. Bell at [dbell@pjpsh.org](mailto:dbell@pjpsh.org).

Please complete this form [Mid-Year Grade Request](#) if you need your grades to be sent.
